Glen Ellyn, Illinois 60137

Attn: Mr. D. G. Wiedeman, Chief Materials Radiation Protection Section 1.

Subject: Your letter of January 25, 1983.  
Our Specific License No. 14-18529-01.

Gentlemen:

The following is in response to your Notice Of Violation January 24, 1983.

- Item 1: Iowa Public Service Company intends to renew the present Specific License No. 14-18529-01. Bob Cadwallader attended the Kay Ray Company's "Installation & Nuclear Radiation Safety Course" February 14 - 18, 1983. The License renewal will include Bob Cadwallader as the "Individual who will use or directly supervise the use of licensed material" and the "Radiation Protection Officer". Final course documentation is being awaited from Kay Ray. Full compliance to be completed by May 31, 1983.
- Item 2: The Kay Ray Company has been contracted to perform a sealed source wipe test on the 50 subject units. This was completed the week of February 7, 1983. Final documentation is being awaited from Kay Ray. Iowa Public Service Company intends to use trained personnel to perform future source testing after license renewal.
