SUBJECT: B&W Owners Group Committee Contacts

Dear Mr. Denton:

Thank you for meeting with Hal Tucker and me on February 14, 1983, and providing us the opportunity to discuss the changes made to the B&W Owners Group.

As a follow-up to our discussion, I have enclosed a listing of the various committee chairmen and sponsors. We hope you find this a useful aid for you and your staff when contacting the appropriate B&W Owners Group representative. We appreciate your interest in having corresponding NRC Staff contacts for these key activities. I have, therefore, provided a blank column for your use.

When you have completed your selections of Staff contact, please return a copy so we may begin to utilize the improved communication paths we discussed.

If I can be of any further help regarding B&W Owners Group activities, please do not hesitate to call.

Very truly yours,
