Gentlemen:

SUBJECT: In the Matter of
Application of Texas Utilities
Generating Company, et al. for
An Operating License for
Comanche Peak Steam Electric Station
Units #1 and #2 (CPSES)
Docket Nos. 50-445 and 50-446

Correction to CASE's March 15, 1983
Motion for Reconsideration Regarding
Hearings on Walsh/Doyle Allegations

In the middle paragraph on page 8 of subject pleading, we indicated that we had not yet received the Staff's SSER 3. We received it this afternoon, after we had already printed subject pleading.

However, we also received about 2/3 of an inch thick revision to Applicants' FSAR on Emergency Planning in today's mail also, which we need time to review as well.

Respectfully submitted,

CASE (Citizens Association for Sound Energy)

(Mrs.) Juanita Ellis
President
