Mrs. Leo A. Drey 515 West Point Ave. University City, MO 63130

August 23, 1982

Mr. W. A. Nixon
Office of Nuclear Material Safety and Safeguards
Nuclear Regulatory Commission
Washington, D.C. 20555

Dear Mr. Nixon

Would you please tell me to what location
the contaminated soil from the AMAX site near
Parkersburg, West Virginia, is to be moved,
and how many cubic yards are involved?

Your response will be appreciated.

Sincerely,

Kay Drey
