Dear Mr. Wiedeman:

We are in receipt of your letter dated February 16, 1983, and submit the following information:

Be advised that we have revised our dose calibrator linearity check procedure to meet Appendix D standards. This has become effective January 1, 1983, and will be followed through on all subsequent linearity checks for the dose calibrator.

We would like to thank you for your cooperation in this matter and should you have any further questions, please contact me at your convenience.

Very truly yours,

Nicholas Burriesci, M.D.
Radiation Safety Officer
Chairman, Radiation Safety Committee
