

NOTICE OF VIOLATION

Wayne County Department
of Public Services
Detroit, MI 48226

License No. 21-13687-01
Docket No. 030-04931

During an NRC inspection conducted on August 17, 1993, a violation of NRC requirements was identified. In accordance with the "General Statement of Policy and Procedure for NRC Enforcement Actions," 10 CFR Part 2, Appendix C, the violation is listed below:

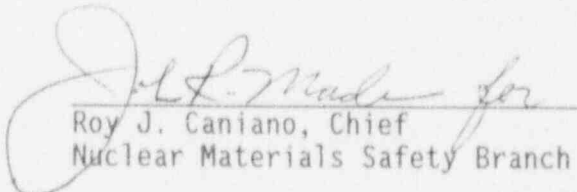

Condition 11 of License No. 21-13687-01 requires, in part, that licensed material be used by, or under the supervision and in the physical presence of individuals who have satisfactorily completed the device manufacturer's training program for portable gauge users.

Contrary to the above, during July and August, 1993, licensed material contained in a portable moisture/density gauge was used by an individual who was not under the supervision and in the physical presence of individuals who had satisfactorily completed the device manufacturer's training program for portable gauge users.

This is a Severity Level IV violation (Supplement VI).

Pursuant to the provisions of 10 CFR 2.201, Wayne County Department of Public Services is hereby required to submit a written statement or explanation to the U.S. Nuclear Regulatory Commission, Region III, 801 Warrenville Road, Lisle, Illinois, 60532-4351, within 30 days of the date of the letter transmitting this Notice of Violation (Notice). This reply should be clearly marked as a "Reply to a Notice of Violation" and should include for each violation: (1) the reason for the violation, or, if contested, the basis for disputing the violation, (2) the corrective steps that have been taken and the results achieved, (3) the corrective steps that will be taken to avoid further violations, and (4) the date when full compliance will be achieved. If an adequate reply is not received within the time specified in this Notice, an order or a demand for information may be issued as to why the license should not be modified, suspended, or revoked, or why such other action as may be proper should not be taken. Where good cause is shown, consideration will be given to extending the response time.
