ORDER

The Intervenor CASE filed a motion dated March 15, 1983, requesting reconsideration regarding hearings on the Walsh-Doyle allegations. This 15-page document merely repeats and continues CASE's arguments and complaints regarding the prehearing and hearing schedules previously established. The Board has reviewed the grounds for the motion and finds no reason or basis for reconsideration of its Orders entered March 4 and 9, 1983. Accordingly, CASE's motion is denied, and the resumed evidentiary hearing set for April 4-8, 1983 will proceed as scheduled.

It is so ORDERED.
