ATTENTION: MR. R. W. BORCHARDT

SUBJECT: ELECTRONIC COPY OF AP600 MATERIAL PREVIOUSLY SUBMITTED TO
THE NRC (AP600 PRA Revision 0, AP600 SSAR Revision 0, AP600 SSAR
Revision 1, Responses to RAls)

Dear Mr. Borchardt:

Enclosed with Mr. Kenyon's copy of this letter is a 4mm data cartridge containing WordPerfect files for the following AP600 documents:

- AP600 Probabilistic Risk Assessment, Revision 0
- AP600 Standard Safety Analysis Report, Revision 0
- AP600 Standard Safety Analysis Report, Revision 1
- Westinghouse responses to NRC Requests for Additional Information on the AP600 through our transmittal letter of 5/19/94

The above documents have previously been submitted to the NRC in support of the review of the Westinghouse application for Design Certification of the AP600 design. Attachment 1 identifies the original transmittal letters for these documents.

The enclosed electronic files are provided in response to an NRC request to assist the staff in their ongoing review of the AP600 and development of the draft AP600 safety evaluation report by November 1994. While every attempt has been made to ensure that these files accurately reflect the material submitted via the letters identified in Attachment 1, Westinghouse makes no warranty that the enclosed electronic files are true and accurate representation of previously docketed material.

The enclosed tape was produced using Network Archivist™ Version 2.0f. Attachment 2 provides a listing of the files included on the tape.

The Westinghouse Electric Corporation copyright notice and proprietary information notice are also attached.

Network Archivist is a trademark of Palindrome Corporation.

COPYRIGHT NOTICE

The reports transmitted herewith each bear a Westinghouse copyright notice. The NRC is permitted to make the number of copies of the information contained in these reports which are necessary for its internal use in connection with generic and plant-specific reviews and approvals as well as the issuance, denial, amendment, transfer, renewal, modification, suspension, revocation, or violation of a license, permit, order, or regulation subject to the requirements of 10 CFR 2.790 regarding restrictions on public disclosure to the extent such information has been identified as proprietary by Westinghouse, copyright protection notwithstanding. With respect to the non-proprietary versions of these reports, the NRC is permitted to make the number of copies beyond those necessary for its internal use which are necessary in order to have one copy available for public viewing in the appropriate docket files in the public document room in Washington, D.C. and in local public document rooms as may be required by NRC regulations if the number of copies submitted is insufficient for this purpose. Copies made by the NRC must include the copyright notice in all instances and the proprietary notice if the original was identified as proprietary.

PROPRIETARY INFORMATION NOTICE

Transmitted herewith are proprietary and/or non-proprietary versions of documents furnished to the NRC in connection with requests for generic and/or plant specific review and approval.

In order to conform to the requirements of 10 CFR 2.790 of the Commission's regulations concerning the protection of proprietary information so submitted to the NRC, the information which is proprietary in the proprietary versions is contained within brackets, and where the proprietary information has been deleted in the non-proprietary versions, only the brackets remain (the information that was contained within the brackets in the proprietary versions having been deleted). The justification for claiming the information so designated as proprietary is indicated in both versions by means of lower case letters (a) through (f) contained within parentheses located as a superscript immediately following the brackets enclosing each item of information being identified as proprietary or in the margin opposite such information. These lower case letters refer to the types of information Westinghouse customarily holds in confidence identified in Section (4)(ii)(a) through (4)(ii)(f) of the affidavit accompanying this transmittal pursuant to 10 CFR 2.790(b)(1).
