MEMORANDUM FOR: The Record

SUBJECT: Phone Call to Harold J. Spelman and Associates,  
November 2, 1982

The purpose of the call was to arrange for a possible date to visit the Kerr-McGee site during the week of November 15.

The second purpose was to inform them that we were planning to have an informal conference at that time to review procedures. Mr. Spelman was out and Mr. Bruce Kelsey, a partner, took the call. Mr. Kelsey responded that November 16, 17, or 19 would be satisfactory. I informed him that I would confirm this with a letter as to the appropriate date.

A handwritten signature in dark ink, appearing to read "Donald B. Mausshardt", with a stylized flourish at the end.
