Re: Indian Point Unit Nos. 1 and 2
Docket Nos. 50-03 and 50-247

Mr. Ronald C. Haynes
Regional Administrator - Region I
U. S. Nuclear Regulatory Commission
631 Park Avenue
King of Prussia, Pa. 19406

Dear Mr. Haynes:

Provided herewith as Attachment A for your use, planning and guidance are details of the principal activities associated with the planned March 9, 1983 full-scale Emergency Preparedness Exercise for the Indian Point site as understood by Con Edison.

You will note that the date of NRC Oral Critique needs to be established by your office.

In the event you identify any corrections, omissions or required additions, please advise me as soon as possible so that I may communicate them to all interested and appropriate parties.

Should you or your staff have any questions, please contact us.

Very truly yours,

attach.
