Dear Mr. Pilant:

By letter dated April 1, 1982, we approved your Shift Technical Advisor (STA) training program for Cooper Nuclear Station and accepted five individuals as STAs at Cooper without Bachelor degrees, but with sufficient training and experience. Your letter of June 25, 1982 informed us of your intention to assign another individual to act as an STA at Cooper. We find that the training and experience of Ricky L. Gardner is acceptable and therefore, we find he has sufficient qualifications to serve as an STA.

If you have any questions, please contact us.

Sincerely,
