Re: Applicants' February 28, 1983 Supplemental Responses to Palmetto Alliance Interrogatories

Dear Mr. Guild:

I am attaching to this letter the Affidavits of David J. Abernethy, C. W. Graves, Jr., and John C. Wolfmeyer. It was not possible to furnish these on February 28.

I would also like to make one correction. The title for J. L. Elliott shown at pp. 42-43 should be changed to reflect job assignment at the time covered in the response. Thus, please change Mr. Elliott's job title to: Principal Engineer, Mechanical-Nuclear Division.

Very truly yours,

Albert V. Carr, Jr.
