Helen F. Hoyt, Esq., Chairman  
Atomic Safety and Licensing Board  
U.S. Nuclear Regulatory Commission  
Washington, D. C. 20555

Dear Judge Hoyt:

Enclosed is "Request to Participate as an Interested Municipality" for the Town of Newbury, Mass. 01950, copies of which have been mailed to the Service List.

Please be advised that the Town wishes the name of Mr. Angie Machiros, Chairman of the Board of Selectmen be placed on the Service List, as our representative in these proceedings.

The Town of Newbury would also like to take this opportunity to advise you that our position is neither anti or pro-nuclear. That our main concern is for the protection of our citizens. That we feel that this will add an additional safety valve insurance to the present Evacuation Plan that is under way in our area by Costello, Lamasney and DeNapoli, Inc., Consulting Engineers, Portsmouth, N. H.

In addition we also wish to be allowed to address any other comments, subjects, on which interested municipalities are entitled.

Sincerely yours,

  
Angie Machiros, Chairman  
Newbury Board of Selectmen
