ACT REQUEST

FOIA-83-5  
Rec'd 1-4-83

Dear Mr. Hendrie:

Under the Freedom of Information Act, 5 U. S. C. 552, I am requesting access to or copies of N. R. C. inspection reports and safety violations noted at the Kerr-McGee plutonium plant in Crescent, Oklahoma between August 1972 and November 1974. I also would like to know of safety violations which were reported by persons other than N. R. C. inspectors between August 1972 and November 1974.

If there are any fees for copying or searching for the records, please let me know before you fill my request.

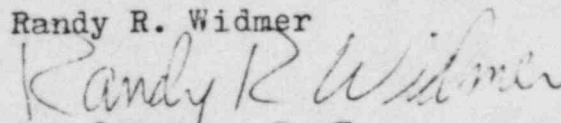

I am requesting this information because I would like to verify statements concerning materiel handling.

If you deny all or part of this request, please cite the specific exemption you think justifies your refusal to release the information and notify me of appeal procedures available under the law.

If you have any questions about handling this request please notify me.

Sincerely,

Randy R. Widmer
