Dear Mr. Joyner;

Subject: Reply to Docket No. 030-14644 and attached Notice of Violation, also
in response to your phone call on 8/4/82.

This is an interim response to acknowledge receipt of the notice of Violation and to inform you that corrective measures have been initiated.

As expressed in our telephone conversation on August 4, 1982, your office will send me the necessary application blank to apply for a General License which will be sufficient for my needs.

Until such time that this is processed, I will keep in holding all 1125 radioactive waste generated.

I regret that I missed the notice of the change in waste disposal procedure and will endeavor to cooperate fully with you to correct this deficiency.

Sincerely,

Robert B. Tanguay
