Re: THE CINCINNATI GAS & ELECTRIC COMPANY, et al.
(Wm. H. Zimmer Nuclear Power Station, Unit 1)
Docket No. 50-358-0L

Gentlemen:

In connection with further proceedings on offsite emergency planning in the referenced matter contemplated by the Board's June 21 Initial Decision, the Board would appreciate being advised: (1) when it is contemplated the Applicants may be prepared to proceed on issues relating to the evacuation of schools in the plume exposure emergency planning zone; and (2) when the final formal FEMA findings may be available for service on the parties. This information will assist the Board members in planning their schedules.

Sincerely,

John H. Frye, III, Esq.
ADMINISTRATIVE JUDGE
