

UNITED STATES  
NUCLEAR REGULATORY COMMISSION  
WASHINGTON, D. C. 20555

January 17, 1983

MEMORANDUM FOR: Jack E. Zerbe, Director  
Office of Policy Evaluation

FROM: James R. Tourtellotte, Chairman   
Regulatory Reform Task Force

SUBJECT: BACKFITTING IMPACT COSTS

Enclosed is an analysis outlining the costs of backfitting at a number of nuclear power plants.

By separate memo, I have requested the EDO to answer specific questions and to provide comments on this information. I would appreciate OPE's independent evaluation of this information as well. Please provide your comments by February 1, 1983.
