Mr Angelo Giambusso
Deputy Director for Reactor Projects
United States Atomic Energy Commission
Directorate of Licensing
Washington D C 20545

Re: Catawba Nuclear Station, Units 1 and 2
Environmental Report
Amendment 1
Docket Nos. 50-413 and 50-414

Dear Mr Giambusso:

Please refer to Mr William H Regan's letter of January 18, 1973, requesting additional information to complete review of the subject environmental report by the Regulatory Staff.

Accordingly, Duke Power Company submits three signed originals and 197 additional copies of the Amendment 1 to the Catawba Nuclear Station Environmental Report. The Amendment is in a format designed to keep current the document originally submitted July 24, 1972, with the revised and supplemental material inserted in the Environmental Report as per attached tabulations.

As required by Section 2.101 of the Commission's Regulations, a copy of this Amendment is being served on Mr J Ed Allen, County Manager of York County, South Carolina, in which the proposed facility is to be located.

Yours very truly,

s/W H Owen
