Re: McGuire Nuclear Station
     Docket Nos 50-369 and 50-370
     Environmental Report - Construction Permit Stage
     Supplement 2

Dear Mr DeYoung:

Please refer to your April 7, 1972, letter requesting supplemental data
and information concerning subject Environmental Report.

Accordingly, we are enclosing three signed copies and 297 additional copies
of the following:

1) Revision 1 to McGuire Nuclear Station Environmental Report -

    The revised sheets should be inserted in the Environmental Report
    submitted March 9, 1971, as per "Changes and Corrections."

2) Supplement 2 to the Environmental Report -

    The Supplement should be inserted at the end of the binder after Supple-
    ment 1. In addition to the specific information requested in your letter
    under reference, additional data and information developed since sub-
    mission of Supplement 1 (November 24, 1971) is included.

Yours very truly,

/s/ W H Owen
