

MAR 17 1983

MEMORANDUM FOR: R. C. Lewis, Director, Division of Project and Resident Programs, Region II

FROM: U. Potapovs, Chief, Vendor Program Branch, Division of Vendor and Technical Programs, Region IV

SUBJECT: CLOSEOUT OF AITS F02700196 - MAINTENANCE AND TEST EQUIPMENT FOR SAFETY-RELATED APPLICATIONS

During a review for upgrading purposes of the computerized Vendor Reactive Inspection Tracking System, it was ascertained that Action Item Tracking System (AITS) No. F02700196 was still listed in an open status. Review of the subject item indicated it pertained to the activities of Mississippi Power and Light and is not a vendor deficiency.

Accordingly, we have closed the AITS without action. If you have any questions regarding this subject, please contact Mr. I. Barnes (728-8176).
