In the Matter of
Texas Utilities Generating Company, et al.
(Comanche Peak Steam Electric Station, Units 1 and 2)
Docket Nos. 50-445 & 50-446

Dear Mrs. Ellis:

I am writing in reference to your letter to me of March 21, 1983. Your letter concerns my letter to you of March 15, 1983, and also transmits "CASE's Request to the NRC Staff for Admissions." First, I note that although your letter states it was sent to me via Express Mail, I did not receive it until March 24, 1983. Secondly, in your letter you state that CASE "Board Member" Mrs. Barbara Boltz was "also on the line when you and I had our telephone conversation." This is the first time that I was aware that anyone else was "on the line" during that conversation, as you did not inform me of that during the conversation. Although I certainly have no objections to other people participating or listening in on our telephone conversations, common courtesy dictates that you at least inform people with whom you speak on the telephone if other individuals are "on the line." Your failure to do so here is a serious breach of courtesy.

Sincerely,

Marjorie U. Rothschild
Counsel for NRC Staff
