Secretary of Commission
U.S. Nuclear Regulatory Commission
Washington, D.C. 20555
Attn: Rocketing and Service Branch

DOCKET NUMBER : 50-329 OL
PROD. & UTIL. FAC. : 50-330 OL ?

Gentlemen:

I request the opportunity to present a
"limited appearance statement" at the
N.R.C. hearing to be held in Midland on
March 29.

I will be representing myself and wish
to speak on the relationship between
operation of the cooling pond and the
Tittabawassee River.

Respectfully,
Frederick L. Brown
