Re: Amendment to OL for Robinson Nuclear Plant
 Hartsville, South Carolina

Dear Mr. Margulies:

The Public Staff of the North Carolina Utilities Commission is not at this time a formal intervenor in this proceeding to amend the Robinson operating license. However, in an effort to become better informed, the Public Staff would appreciate being put on the service list for this proceeding if at all possible. The person served should be:

Karen E. Long, Esquire
 Staff Attorney
 Public Staff - NCUC
 P. O. Box 991
 Raleigh, NC 27602

Please advise the Public Staff if this is not possible, or if something other than a letter to you is necessary to get the job done.

Sincerely,

Karen E. Long
