 Reactor Project Branch #2  
 U. S. Nuclear Regulatory Commission  
 Region IV  
 611 Ryan Plaza Drive, Suite 1000  
 Arlington, TX 76011

SUBJECT: Arkansas Nuclear One - Units 1 & 2  
 Docket Nos. 50-313 and 50-368  
 License Nos. DPR-51 and NPF-6  
 Movement of HPN and ENS Phones

Gentlemen:

To better facilitate the use of the HPN and ENS phones during an emergency, AP&L requests the NRC to have these phones moved from their existing location in the TSC communications room, to the main floor of the TSC as shown on the attached sketch. Your prompt attention is requested so that these phones will be available for our March 1983 Emergency Preparedness Exercise.

Very truly yours,

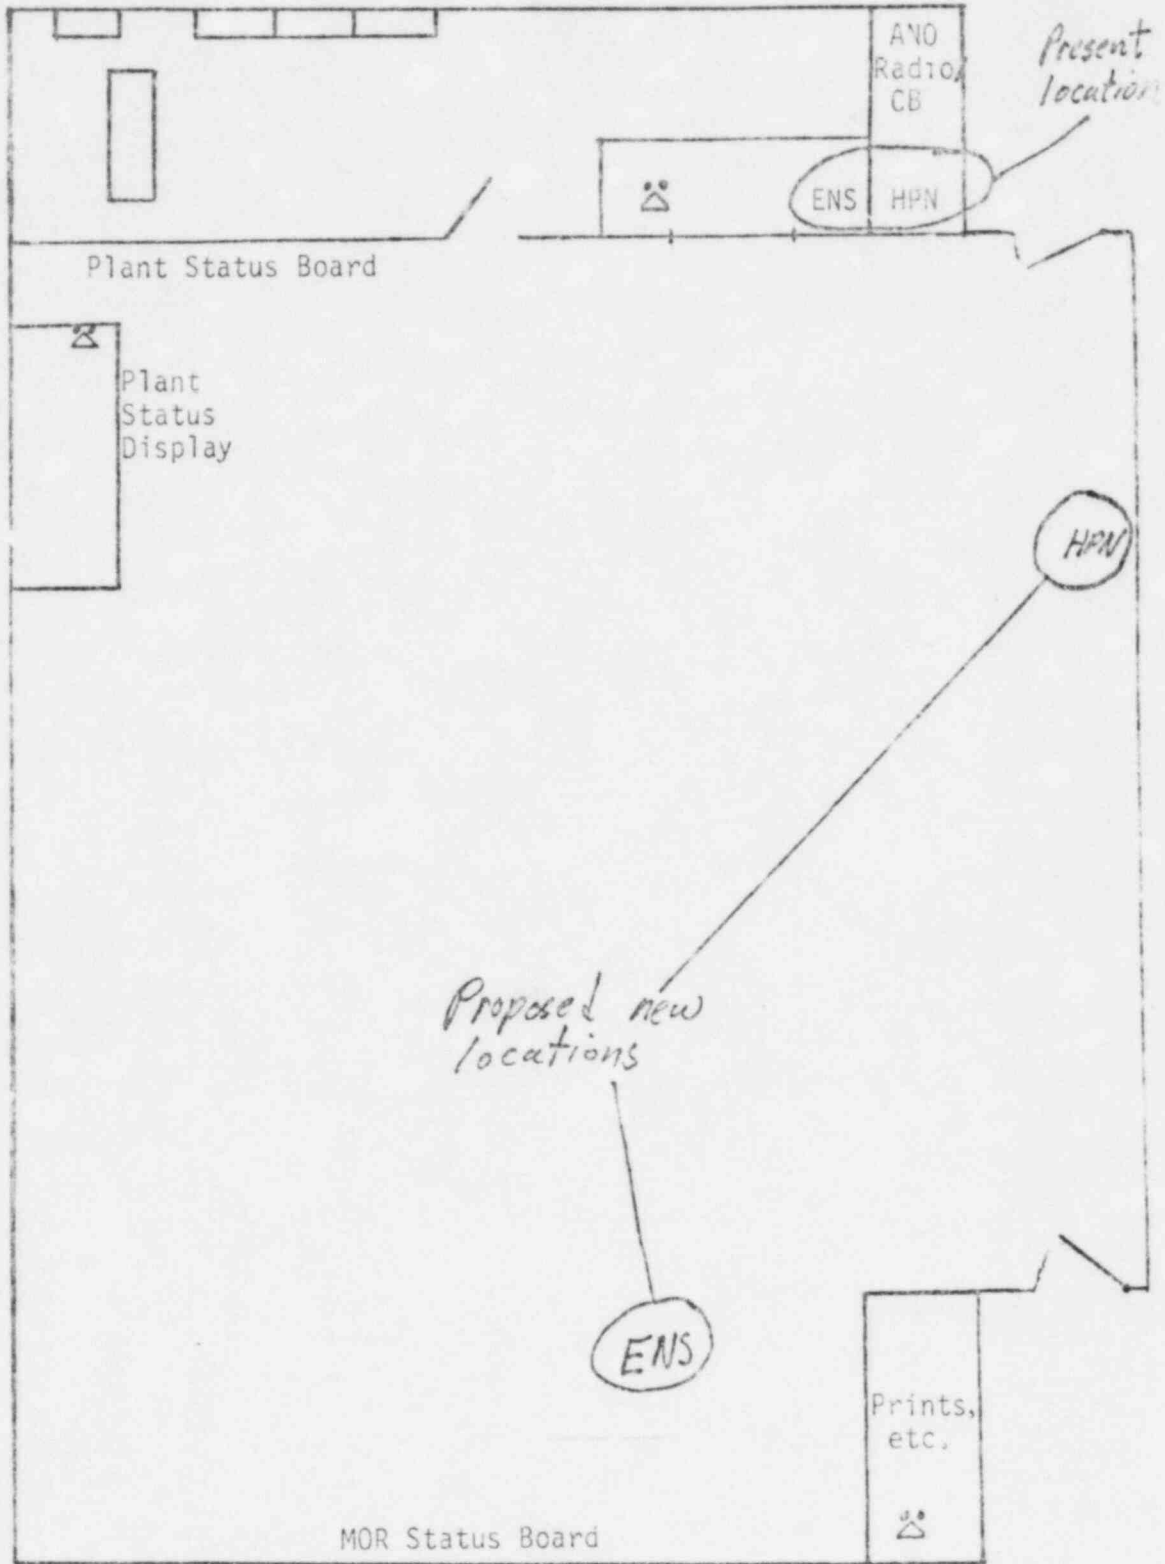

*Donald A. Ruster*
