

OCT 07 1982

Docket No. 50-244

Rochester Gas and Electric Corporation
ATTN: Mr. John E. Maier
Vice-President
Electric and Steam Production
89 East Avenue
Rochester, New York 14649

Gentlemen:

Subject: Inspection 50-244/81-22

This refers to your letters dated February 24, 1982, April 19, 1982 and June 30, 1982, and your undated letter (transmitting Emergency Plan SC-1 dated May 22, 1982) in response to our letters dated December 15, 1981 and May 20, 1982.

We have reviewed your responses to each of the items listed in our Confirmatory Action Letter dated December 15, 1982 and your responses to each of the items contained in Appendices A and B to our May 20, 1982 letter. Thank you for describing the actions which you have taken or plan to take to improve your emergency preparedness program. As discussed during a telephone conversation between Mr. L. Lang of your staff and Ms. M. Mojta of this office on September 30, 1982, with regard to your May 20 response to Appendices A and B, Item 1, we understand that the position of Corporate Radiation Emergency Coordinator has been filled to ensure adequate coordination between onsite emergency organizational elements. These actions will be examined during a future inspection.

Your cooperation with us is appreciated.

Sincerely,

Original Signed By:

James M. Allan
