Docket Nos. 50-413, 50-414
Prompt Alert and Notification System

Dear Sirs:

In reference to Mr. Robert L. Tedesco's request of July 23, 1981 for a schedule for the installation of a Public Notification System at Catawba Nuclear Station, please be advised that the final design of the system and the schedule for its installation has still not been finalized. It is anticipated that this information will be available for submittal by December 1, 1982. We regret any inconvenience this additional delay may cause.

Very truly yours,

Hal B. Tucker
