Dear Mr. Kaup:

This refers to the inspection conducted by Mr. R. Paul of this office on March 7 through May 19, 1994. The inspection included a review of authorized activities for your Braidwood station facility. At the conclusion of the inspection, the findings were discussed with those members of your staff identified in the enclosed report.

Areas examined during the inspection are identified in the report. Within these areas, the inspection consisted of a selective examination of procedures and representative records, observations, and interviews with personnel.
