U. S. Nuclear Regulatory Commission  
Washington, D.C. 20555

**Reference:** Docket No. 50-238  
Request for Amendment of License NS-1  
Nuclear Ship SAVANNAH

Gentlemen:

This letter provides the N.S. SAVANNAH Port Operating Plan for Port of Hampton Roads, Virginia, Revised June, 1994 to supplement information forwarded with previous letters, and is submitted on behalf of the U.S. Maritime Administration (MARAD) and the Patriots Point Development Authority (PPDA), joint license holders under the subject possession-only license, who have requested amendment of the subject license.

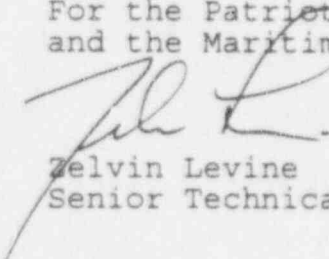

The port operating plan gives berth characteristics, administrative, operational and emergency port information considered necessary for systematic safekeeping from industrial hazards and for the protection of the public. This revision incorporates information applicable to the MARAD controlled layberth leased from the Moon Engineering Company within the Port of Hampton Roads area.

Mr. James H. Flatley III, Chief Executive Officer of Patriots Point (position formerly identified as "Executive Director of PPDA") has authorized the undersigned to sign and submit this application on behalf of the Patriots Point Development Authority.

Please contact the undersigned via telephone (202) 366-5121 or FAX (202) 366-3889 if there are any questions or you require any further detail in support of the requested amendment.

Sincerely,

For the Patriots Point Development Authority  
and the Maritime Administration

  
Zelvin Levine  
Senior Technical Advisor
