Dear Mr. Council:

Upon receipt of this letter, please follow a new format for submittals containing Safeguards Information. The present format results in distribution problems due to the small number of people who have the facilities (safes) to safeguard the submittals.

To alleviate these problems, we request that you submit Safeguards Information as you would proprietary information. Namely, the cover letter should not be Safeguards Information and the actual Information should be in the form of an attachment.

Additionally, somewhere on the cover letter stamp "Safeguards Information in Attachment" so that we know this information was submitted.

Sincerely,

Original signed by
Robert A. Clark
