Gentleman:

In accord with your instructions, the following steps have been taken to correct the violation identified at the time of the inspection conducted on August 30, 1982.

1. Corrective action taken. The consulting physicist was asked to search his records for the spot checks that were not available for inspection.
2. The physicist was asked to please notify us promptly if the worksheet for the spot check, which is performed monthly, has not been received by him, each month.
3. Full compliance is planned to occur immediately.
