SUBJECT: RESPONSE TO NRC INSPECTION REPORT 030-19824/93-01

This refers to the facsimile of your letter dated February 7, 1994, received in this office on May 16, 1994, in response to our letter dated February 4, 1994. We have reviewed your reply and find it responsive to the concerns raised in our letter of February 4 and Notice of Violation (Notice) dated October 15, 1993. We will review the implementation of your corrective action during a future inspection to determine whether full compliance has been achieved and will be maintained.

We also note that there was considerable delay in receiving your replies to both the Notice and our February 4, 1994, letter. You should be aware that future replies to inspection-related correspondence should be sent to the NRC Region IV office in Arlington, Texas, with copies to the Document Control Desk in Washington, D.C. as appropriate.

Sincerely,

Charles L. Cain
