

UNITED STATES
NUCLEAR REGULATORY COMMISSION
WASHINGTON, D. C. 20555

April 22, 1983

CHAIRMAN
DOCKET NUMBER
PROD. & UTIL. FAC. *50-289*

SERVED APR 25 1983

MEMORANDUM FOR: William J. Dircks
Executive Director for Operations
FROM: Nunzio J. Palladino, Chairman *NJP*
SUBJECT: TMI-1 RESTART PROCEEDING

On April 18, 1983 the NRC staff advised the Commission that it intended on "revalidating" the NRC staff position, supporting TMI-1 restart, on the management integrity issue. To assist the Commission in examining its decision-making options on the TMI-1 restart, please provide a written statement explaining what "revalidation" means, and outlining the general program you intend on conducting in completing this review. Include in this description a list of subjects you intend on examining further and the effect that completing this revalidation by May 6, 1983 may have on any other NRR review efforts involving either TMI or other cases. Please provide this statement by C.O.B., Monday, April 25, 1983.
