Docket No.: 40-2061

Response of City of West Chicago, Illinois, to Kerr-McGee
request for consolidation of license amendment number 6 for
hearing with license amendment number 5.

Kerr-McGee Chemical Corporation (Kerr-McGee) submitted a request to the Commission dated September 23, 1982, seeking consolidation of its request for Amendment number 6 with Amendment number 5 for purposes of the hearing granted by NRC to the City of West Chicago on the earlier amendment request. (NRC Order CLI-82-1 dated August 6, 1982, amended September 17, 1982).

Kerr-McGee's request states that the issues raised by Amendment number 5 and 6 may be efficiently decided in one hearing. The City of West Chicago has no objection to consolidation of the two amendment requests. It too is interested in the efficiency of the administrative process.
