In the Matter of
Georgia Power Company
(Vogtle Electric Generating Plant, Units 1 & 2)
Docket Nos. 50-424-OLA-3, 50-425-OLA-3

Gentlemen:

I am writing to summarize several agreements between the parties relating to discovery.

First, Intervenor has agreed to supplement by June 10 its response to Georgia Power Company's Third Set of Interrogatories and Request for Documents to Allen L. Mosbaugh. The parties have further agreed that the period in which Georgia Power might file a motion to compel will not commence until then.

Second, Intervenor requested and the parties agreed to substitute Mr. Stringfellow for Mr. Green as one of the individuals who may be deposed on the diesel generator issues during the next two weeks.

Third, Intervenor and Georgia Power Company agreed that Intervenor's Notice of Deposition Upon Written Interrogatories will be answered only by those individuals named in the notice who are Directors of Southern Nuclear. We also agreed that interrogatories asking about the "Site Area Emergency" will be construed as asking about "diesel generator reliability and performance during the site area emergency and communications to the NRC related thereto." Similarly, interrogatories asking about "any of the allegations against Georgia Power Company by Mr. Mosbaugh," or similar words to that effect, will be construed as asking about the allegations discussed in OI report.

Fourth, the parties have agreed that Intervenor will have a cumulative total of twenty-four hours (equivalent to three eight-hour days) to depose designated individuals, other than Mr. Dahlberg, on the license transfer issue. The parties will keep track of the duration of Intervenor's questioning during each of these depositions. Lunch breaks, other breaks taken by a party other than Intervenor, and questioning by parties other than Intervenor, will not be counted.

Finally, the parties have agreed to meet on Friday, June 17, to attempt to reach a final agreement on the license transfer stipulations and on acceptable transcriptions of tapes 57 and 58 (related to the April 19, 1990 calls).

Sincerely,

David R. Lewis
Counsel for Licensee
