Subject: Request for Non-Withholding of Information from Public Disclosure

Reference: FPC to NRC letter, 3F0494-09, dated April 19, 1994

Dear Sir:

Florida Power Corporation (FPC) provided the Refuel 9 Inspection Plan for the Once Through Steam Generators in the reference letter. Attachment 2 to that letter contained information that had been marked as containing information proprietary/copyrighted to FPC and/or MPR and Associates. FPC is hereby stating that such information need not be considered proprietary/copyrighted to FPC or MPR and Associates and the information could be made available for inspection and copying in the NRC Public Document Room.

Sincerely,

G. L. Boldt,  
Vice President
