TO: SAMUEL J. CHILK, SECRETARY OF THE COMMISSION

FROM: THE CHAIRMAN

SUBJECT: SECY-94-090 - INSTITUTIONALIZATION OF CONTINUING PROGRAM FOR REGULATORY IMPROVEMENT

APPROVED  <sup>with comments</sup> DISAPPROVED \_\_\_\_\_ ABSTAIN \_\_\_\_\_

NOT PARTICIPATING \_\_\_\_\_ REQUEST DISCUSSION \_\_\_\_\_

COMMENTS:

*This is a very positive program and I heartily endorse. Nevertheless,*  
Implementation of this regulatory improvement program will require significantly increased staffing and expertise in the area of probabilistic risk assessment. The staff should describe what measures are being taken to provide adequate resources and expertise in this area. Since overall Agency resources will not increase, the staff should also describe what activities will receive reduced emphasis to provide the indicated support to the regulatory improvement program.
