Fire Protection

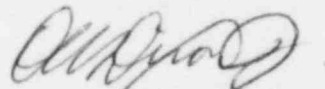

Dear Mr. Denton:

In response to Staff request South Carolina Electric and Gas Company hereby provides the current completion schedule for the following items:

1. Installation of fire barriers is expected to be completed by November 15, 1982 (required Technical Specification actions will be implemented for installations not completed by initial criticality).
2. Installation of fire detectors is expected to be completed in the first quarter of 1983 (although this is not required until first refueling).

If you require additional information, please contact us.

Yours very truly,

O. W. Dixon, Jr.
