(b) Letter, VYNPC to USNRC, FVY 82-123, dated November 30, 1982

Subject: Mark I Containment Program - Plant Unique Analysis Report of
the Torus Suppression Chamber

Dear Sir:

Per Reference (b), we submitted the subject report for confirmatory review. The purpose of this letter is to forward Revision 1 of that report. Please replace the existing pages of the report with the enclosed pages, identified as Revision 1.

This revision results from an agreement between the Mark I Owners Group and members of your staff that no references be made to Application Guides.

We trust this information is satisfactory; however, should you have any questions, please contact us.

Very truly yours,
