Gentlemen:

This refers to the renewal of Materials License 34-15649-01 which was issued February 24, 1994. The renewal was issued in accordance with your application dated November 30, 1993.

Through an oversight, the renewal was issued without the required fee being collected. We received your check in the amount of \$1,100, however, your request was subject to a fee of \$1,400 as specified in fee Category 7C of \$170.31 of 10 CFR 170, which went in effect August 19, 1993. Copies of the July 23, 1992, and August 19, 1993, Federal Register notice regarding the revisions to the Commission's license and annual fee regulations (10 CFR 170 and 10 CFR 171) is enclosed.

Payment of the additional \$300 should be made to the U.S. Nuclear Regulatory Commission and mailed to the following address:
