MEMORANDUM FOR: Frank G. Pagano, Chief
Emergency Preparedness Licensing Branch
Division of Emergency Preparedness

THRU: R. Wayne Houston, Chief
Accident Evaluation Branch
Division of Systems Integration

FROM: Walt Pasedag, Leader
Radiological Analysis Section
Accident Evaluation Branch, DSI

SUBJECT: EIS SCHEDULES

In a meeting on August 7, 1981, R. VanNeil requested information concerning AEB's schedule for EIS accident risk analyses. Attached please find a list of the dates when the site-specific evacuation parameters would be needed by AEB for the next 10 plants.
