RE: Freedom of Information Request  
Relative to Environmental  
Assessment of Proposed Comite  
River Diversion Project, East Baton  
Rouge Parish, Louisiana

Dear Sir:

Coastal Environments, Inc. is presently conducting an assessment of land use history on the tract as delineated on the enclosed map. Under the Freedom of Information Act do your records indicate the storage of radioactive materials including low-level radioactive waste in the proposed Right-Of-Way?

I appreciate your response to this inquiry. Please do not hesitate to contact me if you have any questions or need additional information. Thank you very much.

Sincerely yours,

Ed Fike  
Associate
