Subject: NRC E/L XBO01152

Reference: Shipment of Primary Neutron Source
for use in Sendai Nuclear Power Station #1

Gentlemen:

This is to formally request an amendment to the above-referenced NRC
Export License. When we applied for the above E/L, we erroneously
listed Shikoku Electric Power Company as the ultimate consignee in
foreign country. The correct ultimate consignee is:

KYUSHUU ELECTRIC CO.
82, 1 Gaiku, 2-Chome
Watanabedori, Fukuoka-shi
Fukuoka Pref., Japan 810-91

Shipment is currently scheduled as 27 May 1983 thus, we would highly
appreciate your help in expediting this amendment. Thank you for your
consideration this our request.

Sincerely,
