Gentlemen:

We have completed a preliminary review of your application requesting a Source Material License for a Research and Development Scale In Situ Uranium Recovery Facility in Dawes County, Nebraska, and find it to be acceptable for further processing. Docket No. 40-8829 has been assigned to this case and should be referred to in all future correspondence.

Additional information may be required as a result of the detailed technical review, and will be forwarded under separate cover at a future date. Should you have any questions, please do not hesitate to contact us.

Sincerely,

Original Signed by
