In the Matter of
United States Department of Energy
Project Management Corporation
Tennessee Valley Authority
(Clinch River Breeder Reactor Plant)
Docket No. 50-537

Dear Administrative Judges:

The NRC Staff ("Staff") has received the Applicants' Motion to Dismiss Intervenor's Contentions 11a) and 9a), b), d), and e) ("Motion"), dated March 21, 1983. Applicants correctly state in their Motion that Counsel for the Staff was contacted concerning this Motion, and that Staff Counsel "agrees that these contentions are no longer in issue and should be dismissed." Motion, p. 5. The Staff's position on this matter was accurately represented in the Applicants' Motion. Accordingly, the Staff does not intend to file a separate response to the Motion.

Sincerely,

Geary S. Mizuno
Counsel for NRC Staff
