- Project Plan for Research on Tectonic Processes in the Central Basin & Range Region: Rev. 0 Chg. 6.
- Project Plan Performance Assessment Research: Rev. 3 Chg. 3.

The FY94 Estimated Spending Plan pages for each project and task reflect an approved change of one-half of one percent increase in the estimated fee, and the FY94 Estimated Labor Plan pages illustrate necessary changes to labor resource allocations. No changes were made to the future years' Estimated Spending or Labor Plan pages.

In addition to the Division of Contracts and Property Management copy, two other copies of these individual plans are being distributed as controlled documents. All other copies have been treated as uncontrolled documents (see attached distribution list). All the copies have been forwarded to Mrs. Barbara Stiltenspole, Division of High-Level Waste Management, for distribution within the Agency.

If you have any question concerning the contents of the subject Plans, please contact Henry Garcia or myself.

Sincerely yours,

Wesley C. Patrick
