Re: Sequoyah Fuels Corporation and General Atomics  
(Gore, Oklahoma Site)  
Docket No. 40-8027-EA

Dear Steve:

Since your return on June 6, Steve Duncan (representing GA) and I (representing SFC) have been discussing with you potential clarifications and refinements of the discovery requests served by the NRC staff on SFC and GA on May 27, 1994.

This is to confirm the mutual agreement of the NRC staff, GA and SFC that, in light of those discussions, the response dates to the discovery requests have been deferred and will be specified at the conclusion of these discussions within the next few days.

Sincerely,

Maurice Axelrad
