Subject: Topical Report #EI/NNI-77-7-P-A;
RWRTM-1 Radwaste Volume Reduction System

Reference:
(1) NRC Letter dated October 28, 1982,
Acceptance for Referencing of Licensing
Topical Report EI/NNI-77-7-P, Revision 1

Dear Sir:

As requested by your letter, Reference (1), we have sent to you under separate cover 25 copies of the proprietary version of the subject report and 15 copies of the non-proprietary version. The last series of comments and responses prior to your acceptance of the report has been added as Appendix 9A, and the changes described in those responses have been made in the text and appendices of the report. Your letter of acceptance and the Safety Evaluation which accompanied it have been inserted directly following the title page as required by NREG-0390.

NNI would like to thank you and those of your staff who have assisted us in obtaining acceptance of the RWR-1 system by the NRC.

Very truly yours,

M. R. Eshelman
Director of Engineering
