BRANCH

SERVED NOV 22 1982

In the Matter of  
GENERAL ELECTRIC COMPANY  
(GETR Vallecitos)

Docket No. 50-70-OLR/70-754-SNMR

November 19, 1982

MEMORANDUM AND ORDER

In footnote 2 of this Board's Memorandum and Order of November 12, 1982, we indicated that the attorney for Petitioners/Intervenors had filed documents entitled "Substitution of Intervenor in Pro Per for Attorney of Record," but had not indicated the mailing addresses for his former clients. By letter of the same date, the Board requested that the attorney serve his former clients with the documents entered in this docket since October 21, 1982.

The attorney has responded to the Board's letter declining to accomplish such service and pointing out that in fact he had, by letter of June 22, 1981, to the Office of the Secretary, furnished Petitioners'/Intervenors' addresses and requested that they be added to the service list. (See Attachment hereto)

It appears therefore that the Secretary's service list should have been updated to include Petitioners/Intervenors in June, 1981, but was not. The Secretary will kindly update the service list of these proceedings to include the names and addresses of Petitioners/
