

PDR-016

UNITED STATES  
NUCLEAR REGULATORY COMMISSION  
WASHINGTON, D. C. 20555

November 8, 1982

Ms. Lois T. David  
Contract Administrator  
Franklin Research Center  
20th & Race Streets  
Philadelphia, PA 19103

IN RESPONSE REFER  
TO FOIA-82-395

Dear Ms. David:

This is in response to your letter dated August 19, 1982, in which you requested, pursuant to the Freedom of Information Act, a copy of the contract and any proposals, best and final offers, technical and cost questions and answers, and related modifications submitted by Parameter, Inc., under Request for Proposal No. RS-01E-82-249.

During a telephone conversation between you and Linda Robinson on August 30, 1982, you agreed to accept nonproprietary versions of the requested records. Copies of nonproprietary versions of the technical proposal and appendices (Appendix A) dated April 2, 1982, the proposal supplement dated June 21, 1982, the contract, and two modifications to the contract have been placed in the NRC Public Document Room (PDR), 1717 H Street, N.W., Washington, DC 20555, for public inspection and copying.

The charge for copying records located in the PDR is five cents (\$.05) per page, as specified in 10 CFR 9.14(a). You may obtain copies of these records by calling (202-634-3273) or writing directly to the PDR to request copies. Upon your agreement to pay the copying charges, the PDR will arrange for the records to be copied by a private contractor servicing the PDR. You will be billed by the private contractor for the copying charges, plus tax and postage.

In ordering these records, you should inform the PDR that you want copies of the records filed in folder FOIA-82-395 plus a copy of contract No. NRC-05-82-249 and two contract modifications.

Sincerely,

J. M. Felton, Director  
Division of Rules and Records  
Office of Administration
