Judge Morton B. Margulies
Chairman, Atomic Safety and Licensing Board
U.S. Nuclear Regulatory Commission
Washington, DC 20555

RE: Carolina Power & Light Company
(H.B. Robinson Steam Electric Plant, Unit 2)
Docket 50-261-OLA

Dear Judge Margulies:

We no longer believe that a conference call is required to determine Carolina Power & Light Company's intentions with regard to sleeving the steam generator tubes.

Sincerely yours,

B.A. Matthews
Authorized Representative
